ALL HEARTS

Each February the Rocky Mountain Professional Convention Management Association holds its annual All Hearts Auction and Celebration. This event is the association's largest fundraiser and proceeds go directly towards the association's commitment to education with a portion going to a local non-profit organization. This year we are proud to be supporting two local organizations. In the spirit of education, we are pleased to announce that RMPDMA will be proudly partnering Little Flower and Aurora Youth Options.

Little Flower is a non-profit center providing assistance to Aurora and Northeast Metro residents who need help with food and clothing. Additionally, they provide financial counseling and job search assistance by helping with resume writing and interviewing skills.

Aurora Youth Options works with middle and high school-aged youth and their families to navigate, connect and provide positive, individualized resources to help youth thrive.

The All Hearts Celebration and Auction is one of the Denver meeting industry's most anticipated events of the year. More than 200 industry leaders attend the event each year. Choose from one of the many levels of sponsorship or donate to the silent auction to showcase your business to the 300+ membership of senior level event professionals.

Join us at the The Ritz-Carlton, Denver for an evening celebrating the Big Band era of old Hollywood. A red carpet welcome will usher guests to an evening of big band jazz, swing dancers to inspire the crowds, food and drink and a walk along the RMPDMA walk of fame recognizing the best in the industry 2018.
