5:00 PM - 6:00 PM | Reception and Mask Making
6:00 PM - 9:00 PM | Gala and Awards

Each February the Rocky Mountain Professional Convention Management Association holds its annual All Hearts Auction and Celebration. This event is Rocky Mountain PCMA's (RMPCMA) largest fundraiser and proceeds go directly towards the association's commitment to education and its members. A portion of the proceeds goes towards the newly developed Rocky Mountain PCMA Leadership Fund. This scholarship allows RMPCMA to give back directly to its members by funding additional scholarships to attend Convening Leaders and EduCon.

Join us at the Hilton Denver City Center on February 12, 2020, for an elegant Masquerade Ball. Guests dressed in costume or optional black tie will walk down a welcoming red carpet to a festive evening of food, drink and lively entertainment. Get creative and make your own mask during the cocktail hour in the hotel foyer. We will top off the evening with the crowning the RMPCMA kings and queens of the industry. This is sure to be a night to remember!

The All Hearts Celebration and Auction is one of the Denver meeting industry's most anticipated events of the year. More than 200 industry leaders attend the event each year. Choose from one of the many levels of sponsorship or donate to the silent auction to showcase your business to the 300+ membership of senior level event professionals.
