

## **PCMA's Rocky Mountain Chapter Cares!**

**At RMPCMA, we genuinely care about your health and safety, as well as those around you, as our industry embarks on a difficult road to recovery. By attending any in-person RMPCMA event, you agree to the following. If you do not feel comfortable with our in-person policies, please stay home.**

**There is no way for us to return to in-person events with zero risk of COVID exposure.** We will make our events as safe as is prudent and feasible depending on the unique circumstances of each location, group, and any other constantly-changing realities in which we find ourselves. We will enforce the rules to the best of our ability, but may not be able to control all people and variables.

**Your health, safety and comfort are ultimately up to you.** We love to see you at our events, but only if you:

- feel comfortable with the environment we've designed
- follow the rules set forth by us and other governing entities
- agree to hold only yourself accountable for risks associated with attending this in-person event

### **Details for this event:**

- Take place indoors
- Food and Beverage will be served

- Masks are required whenever not actively eating/drinking
- Social distancing will not be enforced, unless the venue requires it
- Vaccines are mandated for all PCMA attendees, so we will not be checking for additional proof of vaccination

**Policies and Additional Resources:** Please see links below for policies we use to guide our planning, regulations and decisions.
